

DAILY RESEARCH RECOMMENDATION

["BASIC INDEX "] BUY SENSEX 85300 CE@ 480 FOR THE TARGET 540-590-650 SL 360

05-12-2025

09.36 AM

Description: Price has previously bounced sharply from **85,000–85,040**. This zone is acting as a **strong support**. My expected blue path (bounce from support → breakout) is valid., on this behalf I rec to CE BUY
