

DAILY RESEARCH RECOMMENDATION

["BASIC INDEX"] BUY NIFTY 24000 CE ABOVE 88 TGT 110-128-140 SL 55

25-05-2026

1.11 PM

Description • NIFTY is trading near 24,050 with higher highs and higher lows. Option premium already gave a sharp move toward 150+, which confirms aggressive buying interest. 88 acted as a breakout base earlier; sustaining above it keeps bullish structure intact. Immediate support zone: 105–110 , Momentum remains positive unless premium falls below 88 decisively, **hence I recommend CE**

Status- ALL TGT DONE
